Mohammadreza Zariffard

Student at Cyprus International University
Famagusta, Cyprus

Experience

VatanZarin

Back End Developer

June 2023 - July 2024 (1 year 2 months)

Tehran, Tehran Province, Iran

- Website Development: Coded for various websites, focusing on functionality, performance, and clean code.
- ERD Design: Created an Entity-Relationship Diagram (ERD) for a project to organize data relationships effectively.
- Frontend Development with React: Contributed to the frontend using React, working on components and improving UI/UX elements.
- Collaboration and Adaptability: Worked closely with team members, adapting to project needs and professional development practices.
- Skill Growth: Gained hands-on experience in both backend and frontend, enhancing my full-stack development capabilities.
